

Launton Annual Parish Meeting

Find out what's going on in your village.

On **Thursday the 22rd April**, at 7.30 p.m. your Parish Council will be holding the Annual Parish Meeting in the Parish Hall.

At this meeting, all of the parish organisations have an opportunity to report on their activities over the previous twelve months, so it's a good way of gaining an insight into everything that's going on.

Usually, the meetings last no more than an hour and a half and if you set the recorder for "EastEnders" you will miss nothing.
