

# *Spring Clean Day*

**A chance to get some fresh air, help make the village sparkle,  
and feel smug and sanctimonious, all at the same time**

On **Saturday the 24<sup>th</sup> April around 2p.m.** the Parish Council is holding its annual Spring Clean event. The numbers of helpers varies year by year, and it would be great to have a really good turnout this time (like double figures).

You may be thinking 'if only everyone took their litter home there would be no need for this sort of thing', well unfortunately they don't, and if you rejoice at living in such a nice village here's a way of putting something back and having a cup of tea and a biscuit for your trouble. You can also model the much sought after 'high-vis' vests or be the first to write a review of the high tech litter pickers!
